

GOOD, BAD OR UGLY BECAUSE ...

Good – heritage, history and public art.

The only picture I don't find disturbingly ugly.

Good – totally unique heritage.

Fantastically good.

Good – part of our island's history.

Good – local history.

Good – we should maintain our local history.

... IN THE FUTURE WE SHOULD ...

Look after areas such as these.

Build more houses using this ancient technology.

Look after areas such as these.

Make new Guernsey architecture (Leale's Yard) based on old dolmen style architecture.

This is probably of interest to potential visitors – so let's make more of what we've got.

Promote pre-history at least as much as 20th century history - more varied and very interesting.

Island should market [this] to tourists [,] this is a hidden treasure.

We can't really build anymore however we could invest in more archaeology esp. in sites before developments are built.

Should be conserved.
