

GOOD, BAD OR UGLY BECAUSE ...

Guernsey – good, stay that way.

Good – lots of small boats.

Good – beautiful harbour with old buildings.

Good – beautiful and attracts a broader range of tourists.

Good – great for economy and tourism, very aesthetically pleasing. Ideal for boat users, gives people a reason to live in Guernsey.

Beautiful.

Good – what Guernsey is all about – the best view in the western world.

... IN THE FUTURE WE SHOULD ...

Don't modernise harbour, too many large glass buildings would spoil view.

Maintain this or a good harbour, which looks good for tourists, this may be the first thing they see of Guernsey.
