

GOOD, BAD OR UGLY BECAUSE ...

Jolly, but park planting is open; of little or no value to insects (in this case the wallflowers are good).

Good, Excellent, wonderful.

Good – a nice piece of scenery.

Good – should be used more for events in summer.

Really nice – good place to go in summer etc.

Good – colourful and picturesque.

Good – Homes for the elderly. Supply and demand.

... IN THE FUTURE WE SHOULD ...

Park planting could incorporate more bee-friendly planting.

Use Guernsey's horticultural and botanical expertise to add to our beautiful countryside.

Look after it.

Involve more history, so it's not just a park.
