

GOOD, BAD OR UGLY BECAUSE ...

Bad – traffic, too much, traffic, create better incentives to leave the car at home.

Disgraceful!

Bad – find more ways to discourage car driving.

Bad – car pooling!

True – but ugly. Traffic Pollution - Ugly

Bad – too much traffic on our roads.

Ugly and becoming representation of the island.

Bad – too much traffic – reduce car use.

Way too much traffic.

Bad...too much traffic for a small island.

Bad - pollution – too busy all the time.

Ugly – noise pollution, too many cars in one area.

Too many road works.

Bad – Only route from Town to St Sampson's is so very congested at times.

Good – Vibrant economy

Bad – Island is car dominated

Bad – Busy coast road cuts town off from the sea

Good and Bad – where there's muck there's brass

Bad – Too much traffic in the north results in large volume of traffic in the north

... IN THE FUTURE WE SHOULD ...

Provide more buses.

Paid parking should pay for cheap and frequent bus service.

Encourage cycling, buses and walking.

Sad – reduces town car-parking – ban the school run!

Cheaper (not bigger) buses, higher petrol tax.

Who will get out of their car first!

Restrict number of cars per household.

Cycling of car-pooling should be encouraged.

Government should grasp the nettle reference traffic strategy appropriate for small island.

Lollipop Crossroads by Abominable Park

Less Traffic Lights and more filters

Take a strategic look at the east coast including traffic and parking.

Introduce car parking strategy
