

GOOD, BAD OR UGLY BECAUSE ...

Sadly roads aren't big enough for everything. Picturesque and very practical.

Bad – road users should pay.

Dogs restricted and licenses.

Good – helps to reduce traffic speeds on narrow lanes.

Good – should accommodate horse riding.

Good – adds to the variety.

Horse-riding – a way of getting around.

Bad – because impractical and annoying.

Good for recreation, Bad for conflict in road use.

Bad – Horses leave their mess on the roads.

Good – need to protect ruelle tranquilles for horses / walking / cycling

... IN THE FUTURE WE SHOULD ...

Designate bridal paths.

Change licenses.

Be more like Sark – with less cars and more horses and carts.

Ban horses on certain days.

Develop policies to ensure that heavy traffic is concentrated on major roads, freeing up country lane network.

Block off accesses to deter through traffic.

Compulsory insurance would make it good.
