

GOOD, BAD OR UGLY BECAUSE ...

Excellent – should apply to all lanes in the island.

Should be consistently applied in all parishes.

Excellent – encourages people to walk and enjoy the beauty of the island.

Good – people can enjoy the island's lanes.

Good – allowing more people not to use cars and if so realise that horses, bikes and people, are likely to be using that road.

Good makes Guernsey unique and Island like.

Bad – always ignored

Bad – ugly and unnecessary road signs.

Good – Less traffic and slower traffic.

Bad - Signage urbanises the countryside

Good – promote healthy living, sensible driving and family.

... IN THE FUTURE WE SHOULD ...

Excellent – let's have more!

Excellent – enforce.

Apply a 15mph limit with priority for pedestrians/walkers and cyclists in all lanes. Why should cars have priority?

Be promoting less traffic, encouraging people to use more island paths.

Ban cars!

Paint signage onto the road.
