

GOOD, BAD OR UGLY BECAUSE ...

Fumes from traffic makes walking less pleasant.

Good to see someone walking – bad to see so much traffic.

Bad – busy roads – reduce number of cars.

Less traffic.

Reduce carbon footprint – walk/cycle paths.

Bad – lost our uniqueness and our different appeal. Same as everywhere else.

Good – there is a footpath

Bad – Pedestrian minority

Good to walk but can be intimidating

... IN THE FUTURE WE SHOULD ...

Safe cycling routes.

Encourage more people to walk – make it safer.

Better pavements

Traffic congestion and road safety needs looking at.
