GOOD, BAD OR UGLY BECAUSE ...	... IN THE FUTURE WE SHOULD ...
Good – because that is a picture of Guernsey old.	Balance the above with commercial needs & needs of whole population.
True countryside and history.	Good small scale sustainable.
Can look busy/working area...Can look random/derelict.	More support for local fishermen.
Good – attractive older world	
Good – fishing industry is local.	
Good – healthy living	
Good – our roots / heritage
