

GOOD, BAD OR UGLY BECAUSE ...

An artist's canvas.

Tough to recreate.

Classic C.I. property.

Good – because it looks as if it belongs x 2

Yes, that's it

Good, but unavailable – how many! A dream!

Yes, but careful not the whole picture.

Good – because everyone requires a home. However house prices are way too high.

Good – it's a pity that the north of the island doesn't look like this.

Good – beautiful local historical building with original stonework.

Good – not a new building made of glass and steel

Good – wonderfully unspoilt

... IN THE FUTURE WE SHOULD ...

Be building / providing houses that people from education can afford.

Maintain more areas like this.

Safeguard these types of buildings.
