

GOOD, BAD OR UGLY BECAUSE ...

Good – farming declining, needs more support. Take farming and growing into the schools as part of the syllabus!

Good – traditional agriculture and gives wildlife a change.

Good – they taste amazing.

All good images for Guernsey's identity.

Fantastic wet meadow with excellent biodiversity

Good – protect the breed!

I like seeing cows in fields – makes it feel local.

Good – green areas make Guernsey more appealing perhaps a bit overgrown.

Good – it is a good space, a little overgrown. But the Guernsey cow is an image and should be preserved.

Good – important to retain green areas and support dairy industry.

Good – land should not be built on!

Good – countryside idyll

This would fail a stream inspector in my parish!

... IN THE FUTURE WE SHOULD ...

What would Guernsey be without the Guernsey cow!
Support the farmers.

Continue to subsidise the dairy industry.

Protect and enhance.

Need more areas like this and look after the areas we have.

Tighten up on domestic cartilage (I think this is now a lawn!).

Maintain more areas like this.
